

Pursue a degree in behavioral health and save

Thanks to the partnership between Christian Counselor Directory and Capella University, you have access to benefits designed to help you reach your education goals. If you're interested in a degree in behavioral health or other areas, you can pursue your studies with financial support.*

Programs that can give you tools to make a difference

Through Capella, you can pursue a variety of degrees, including:

- BS in Psychology – Applied Behavior Analysis
- Bachelor of Social Work
- Master of Social Work
- MS in Clinical Mental Health Counseling
- MS in Marriage & Family Therapy
- MS in Applied Behavior Analysis
- PhD in Behavior Analysis

Explore opportunities to save on tuition

- Scholarships ranging from \$5,000 to \$20,000, depending on the degree program, in our GuidedPath learning format + an additional 10% tuition discount
- A 50% discount on your first 12-week FlexPath billing session + an additional 10% off all subsequent billing sessions

Take advantage of CE courses, covered by Capella

Capella is proud to partner with Behavior University and Elite Learning to provide CE courses for Christian Counselor Directory members at no additional cost. Content spans a variety of career-relevant topics in ABA, counseling, psychology and social work. Courses are worth CE units.

**Eligibility rules apply. Books, supplies and other fees apply. Travel expenses for residencies, practicum, etc., are not covered by the scholarships.*
